**2. Report of Promoter**

JM advised that compared to the previous year we have seen an increase in ticket sales of roughly 1%. Due to this increase the monthly prize pot for the lottery was increased from October 2024. The lottery second prize was increased to £2,500 and the fourth prize was increased to £600 (increases of £500 and £100 respectively).

JM noted that the lottery ticket sales continues to contribute to the popular Scotwest Community Awards which offers funding for events or purchases for groups or charities in our Member's communities up to £2000 every quarter

JM also noted that as with Scotwest Credit Union the lottery will be bringing its annual accounts to an Annual General Meeting in February 2025 with the AGMs taking place around that time annually going forward.

JM asked for questions. There were no questions and the report was approved.
